

# Rallying the Troops: A World War I Commemoration, Volume II Index

## INDEX

This is a selective index that does not include every entry for a subject or a name. It endeavours to include the location of words and subjects that have informative or instructive entries as distinct from the mere mention of the word.

### Units and Ships:

Veterans from Ku-ring-gai served in nearly every brigade, infantry battalion, artillery unit, light horse regiment, Army Service Corps unit, flying squadron, general hospital, field ambulance, or other unit that was involved in the War. They also sailed in scores of troopships. They are too numerous to index.

The index is divided into five sections:

- General Index
- Personal names
- Battle & Place names (Overseas)
- Place names (Australasia & Oceania)
- Schools, Colleges & Universities
